

OTHER GRANDMOTHER'S TROPHY

2004

This trophy is a wood plaque with the Salty Sister emblem, carved from matching wood and donated by Dave Shreve. The decision as to how it should be used was left to the discretion of Salty Sisters' Board of Directors. In November 2004, the Board recommended that this trophy be used for the "Other Grandmother's Trophy." The Salty Sisters will maintain the trophy. Any Salty Sister, who is a grandmother, by any means other than genetically, is eligible. It is a perpetual trophy and shall remain on display at the St. Petersburg Yacht Club at all times. The one race shall be sailed on the closest Wednesday after Mothers' Day. There must be a minimum of three boats to constitute a regatta. The Salty Sister Sailing Instructions will be in effect. A keeper charm (Special Grandma) will be awarded to the winner of this trophy, which may be won once.
